## AT COUNCIL MEETING

Request Of Woman's Club To  
Use Council Chamber For  
Meeting Granted By Council

Action by the board of Kankakee county to modernize as much as possible the county farm buildings and make them more safe for the inmates and employees thereof was taken through the city council in its regular meeting last evening when it was voted to extend the mains of the Kankakee Water Company on North Entrance avenue to the institution and to install a fire hydrant near the building.

This action was proposed at a council meeting several weeks ago and was referred to the appropriate committees for investigation. Last evening the ordinance making the improvements possible was read by City Clerk Lorena Cassatt and was unanimously passed by the aldermen.

Reports Approved  
The monthly reports of the chief of police, fire chief, health officer, and superintendent of streets were read and approved on motion of Alderman Savage of the fourth ward. Mayor Beckman commented on the report of Superintendent of Streets Deuschle which showed that 544 loads of brush had been gathered up by the street department after the wind storm early last month.

Alderman Armand LeBeau of the third ward chairman of the building committee of the new west side fire station, gave a brief report of the dedication festivities on Labor Day. In his report, Alderman LeBeau mentioned that six new beds for the firemen's dormitory had been donated by the Turk Manufacturing Company and the two boxes furniture store had sent on approval six mattresses to fit these beds. Alderman LeBeau mentioned that these mattresses be purchased which was done. The furniture store had donated several pieces of furniture for the new station.

Alderman LeBeau, as a member of the fire committee, stated that the annual convention of the Illinois Firemen's Association would be held at Peoria beginning on September 8th, and asked that Emil Goudreau, chief of the Kankakee Fire Department, be sent to the convention as a delegate from Kankakee. The motion carried.

To Move Light  
Alderman Clarence Spelcher of the first committee reported on a recent request to move a street light on North Indiana avenue. The request which was submitted to his committee at the meeting of the council, was that the light now in the center of the 300 block on North

## MERCHANTS AID IN THE PUBLIC WEDDING; PEOTONE

The merchants of Kankakee and Peotone have again shown their interest in civic affairs by donating to the couple who will be married at the Will County fair the evening of September the fourth. The couple as you know, is Miss Ruth Posing, 1332 East Chestnut street and Lawrence Peterson of Chicago. Judge Adams of Joliet has kindly consented to officiate.

The Huff & Wolf Jewelry company have donated a beautiful Florentine wedding ring.

The Fair store of Kankakee gave a considerable discount when the wedding dress was purchased.

Other business men who gave generously are Arnold, Harken & Co., Peotone Meat Market, The Great A & P. Tea Co., Fred P. Conrad & Son, all of Peotone; Mrs. Clarence Locke of Bradley and Harry Dugan, Palace Clothiers, H. L. Lewis, Hub Clothing Store, Majestic Bakery, Neumode Hosiery Co., the Oberlin Furniture Co., of Kankakee.

The kindness of these merchants is deeply appreciated.

## TWO BODIES FOUND Bones, Believed To Be Those Of Third Man, Prove To Be Bones Of A Bear

Copyright, 1930, and all rights reserved in North and South America and in Japan, by the Associated Press.

Tromsø, Norway, Sept. 3.—(AP)—Salomon August Andree, pioneer Polar air explorer, was found today to have died guarding to the last the story of his attempt to reach the North Pole by balloon thirty-three years ago, protecting with his body even in death two note books containing his precious record.

Examination of his body by experts in the Tromsø hospital today showed that in addition to his two diaries and his navigation log, two note books were wrapped up in an undershirt and frozen to his back.

Andree, having placed these precious papers at his back apparently lay down upon them when he realized death was near, and shielded them with his body as he slowly froze to death.

These note books constituted the "Interesting Discovery" announced earlier by the experts. They said "a find of special interest was made on the back part of the body."

The books seemed to be in good condition. In his effort to preserve them for those who might one day find his body, Andree had stripped off his undershirt and made them secure. As his body was found headless, it is apparent that his precaution was not an idle one, especially as bears made frequent marauding expeditions through the camp.

With the help of this diary, and of Andree's navigation log, the other diary found by Dr. Gunnar Horn last month in Andree's camp on White Island, experts hope to reconstruct the adventures of the pioneer polar aeronautical explorer. They expect to learn how the balloon met disaster and Andree and his two comrades fought their way across the ice to White Island, where they perished.

The diary was found during excavation.

Question Mark Will Be Flown  
Back To Paris By A New  
Crew Shortly

BULLETIN:  
New York, Sept. 3.—(AP)—Captain Wolfgang Von Gronau and his three German flying students who sped the North Atlantic with him last week, returned to New York today from their visit to Chicago and cities between, landing at North Beach airport at 2:30 p. m. (E. S. T.).

Paris, Sept. 3.—(AP)—Captain Dieudonne Coste, while all Paris today rejoiced over his great flight to New York, today promised by wireless telephone, that his comrade, Paul Codos, could fly the Question Mark back across the ocean again before bad weather sets in. He told Codos he had not yet been able to decide when Codos should come to New York but that he could count on making the flight.

Coste talked with his wife and friends for 45 minutes, beginning at about 2:10 P. M. (E. S. T.). His first greetings were for Madame Coste, his Russian actress wife.

Then he spoke in turn with Minister of Air Laurent-Eynac, who is a personal friend, and with Codos, who accompanied him when he set his world's endurance flight record in closed circuit this year.

M. Laurent-Eynac and M. Codos were visiting Madame Coste in her flat in the Passy District at the time he called.

He told his wife the worst moment of his flight were when "we were flying blind over Nova Scotia."

So deeply moved was Madame Coste that it was fully five minutes after she had heard her husband's voice before she could utter a single word of congratulation and love.

New York, Sept. 3.—(AP)—The Question Mark, flown from Paris to New York by Coste and Bellonte, will be flown back from New York to Paris by Paul Codos, French aviator, as soon as Coste and his comrade have completed flights in the plane to Dallas, Texas, and to Washington, it was announced today.

Codos will sail from France with a mechanic in a few days to be in New York when the Question Mark returns from United States flights. The plane will be thoroughly overhauled and Codos will attempt to retrace the flight Coste and Bellonte made from LeBourget to Curtiss field.

If the flight is successful it will mark the first round trip across the North Atlantic by the same plane.

Rising early today from the first rest they had had since Sunday night in Paris, Dieudonne Coste and Maurice Bellonte prepared to receive the city's greetings and to take off at eight o'clock (EST) tomorrow morning for Dallas, Texas, and the \$25,000 prize which awaits them there.

Marred somewhat by souvenir hunters, their scarlet plane "7" was still believed to be capable of flying half way across the continent without extensive repairs, to qualify for the purse posted three years ago by Col. William Easterwood, Dallas millionaire, for the first one-stop flight from the French capital.

By the terms of the prize offer they must take off within seventy-two hours of their arrival at Curtiss Field last evening.

The airmen found themselves surrounded this morning, long before their official reception began, by the acclaim of a world which still knows how to appreciate a task of daring well done.

Tailors bobbed in and out of their hotel suite putting the last touches on new clothes ordered last night and fashioned through the night by many deft fingers. The fliers arrived with only their greasy coveralls and flying togs, and needed presentable attire for their public appearances today.

Coste was on the telephone before nine A. M. talking to his pretty wife in Paris—but it was just a private conversation and of this end of the line, at least, nobody listened in.

Late today Coste and Bellonte will

## San Domingo In Path Of A Hurricane

New Orleans, Sept. 3.—(AP)—The Tropical radio station here received a report from San Juan, Porto Rico, this afternoon, that the Caribbean hurricane disturbance had struck the Island of Santo Domingo, with a Northwest wind velocity of 102 miles an hour. The barometer at San Juan was reported dropping.

Washington, Sept. 3.—(AP)—The weather bureau today issued the following storm warning:  
"Advisory 3 p. m. Report from Santo Domingo indicates center of hurricane approaching that city; direction of movement not known but most likely northwest at present time. Further advices tonight."

New York, Sept. 3.—(AP)—The New York office of the all-American cables, Inc., this afternoon reported that cable service to Santo Domingo was interrupted. A hurricane is reported raging in the neighborhood of the Dominican republic and the Island of Haiti.

## AUGUST WAS A BUSY TIME FOR LOCAL POLICE

A busy month for the Kankakee Police Department during the month of August was shown by the report of John Stack, chief, which was submitted to the regular meeting of the city council last evening.

A total of 94 arrests were made during the month. These include seven arrests on charges of robbery with a gun, including George Cleary, Willard Cleary and Mrs. George Cleary, all of Chenebise; and Lester Bohannon and Charles Davis, Peoria; who were captured by Chief Stack and his men as members of the holdup gang in the vicinity of Kankakee.

The arrests were as follows: 22; disorderly conduct; 8; drunkenness; 2; drunk and disorderly; 4; assault and battery; 4; burglary; 5; begging on streets; 1; making and possessing liquor; 1; train riding; 4; driving a car while drunk; 4; driving without lights; 1; speeding; 7; running through streets; 1; driving over fire hose; 1; maintaining nuisances; 2; writing bad checks; 2; assault with a deadly weapon; 3; illegally moving mortgaged property; 1; having a stolen car in possession; 1; carrying concealed weapons; 1; Dyer Act; 2; having fictitious license plates; 2; runaway boys; 4; grand larceny; 4; and robbery with a gun, 7.

The report of Fire Chief Goudreau shows that there were 30 fire calls last month and that 276 basements were inspected by the firemen.

The report of Charles Deuschle, superintendent of streets, shows that 310 loads of material were cleaned out of alleys and that 564 loads of brush were gathered and disposed. This last item is unusually large because of the many branches and leaves blown down during the wind storm of early in August.

The regular report of Dr. C. K. Smith, health officer, was also read at the council meeting and approved with the others. The report of R. G. Drolet, city collector, shows that \$9,952.24 was collected by him for the special assessment fund.

## UNDERWOOD FINED.

Charged with disorderly conduct, Fred Underwood, of Essex, was fined in the police court by Judge Bert L. Fitzgerald today. He was arrested last week on a charge of attempt of rape on complaint of Mrs. Nina Dunn, also of Essex. Charles W. Kurtz, assistant state attorney, conducted the prosecution and Attorney T. S. Sawyer represented the defendant.

## PROUD PARENTS.

Mr. and Mrs. Paul LaRoche of Chicago, formerly of this city are the proud parents of a seven and a half pound son born this morning at the Southshore hospital. Mrs. LaRoche was Miss Bernadine Bullock before her marriage.

Mr. and Mrs. Eldred Hoskins of Grand Rapids, Mich., announce the birth of a son born August 24th. Mrs. Hoskins was formerly Miss Viola Meyers.

Mr. and Mrs. Charles Taylor, of 388 North Greenwood avenue are the parents of a nine pound son born September 1st. Mrs. Taylor was formerly Miss Norma Granger.

## BIRTHDAY DINNER.

Mr. and Mrs. Hector LeBeau entertained the LeBeau brothers and their families at a Sunday dinner in honor of Mr. LeBeau's birthday.

## AUTO WRECKED.

A Chevrolet coach belonging to Mrs. Frank Good, 1554 East Bourbon street, ran off the road on Fifth avenue near the city limits last night and hit a large fence post, badly wrecking the machine. According to a report made to Sergeant John Hopper at police headquarters last night, no one was injured.

COYER SELLS HIS  
INTEREST IN STAR  
CLEANING STORE

Harriet E. Coyer, until recently one of the proprietors of the Star Cleaners, 167 North Schuyler avenue, today announced that she had sold her interest in the establishment to her former partner, Leslie A. Beauvais, who will continue the establishment under the same name. The transaction was completed on September 2nd.

Mr. Coyer stated that he had no definite plans for the future, except that he will take a much needed rest. He says he may re-enter auto business at a later date.

## DANCE ON WEST SIDE SATURDAY

A public dance, given by the West Side Progressive Association, the American Legion, and the Labor organizations of Kankakee, will be held on the open air platform near the new west side fire station on Saturday evening. It was announced today by Armand LeBeau, alderman of the third ward.

Tickets sold for the all-night dance which was interrupted on Monday evening by the rain storm will be redeemed at this dance. Ray Wulff's orchestra will play.

Mayor Beckman today gave permission to hold the dance on the condition that he be allowed to dance with the most attractive lady on the west side.

## SEVEN ARRAIGNED IN SHOOTING CASE

John Tadek Jake Dellazlova, Bruno Delluomini, Jano Lapsi, Angelo Gaspario, Dominick Del Santo and Giordano Sinich, all workers in a Chicago labor union, were arraigned before Justice C. H. Edison today charged with assault with intent to kill John Testa and Jack Pavagello at the Manteno state hospital last April 7th.

The seven defendants are represented by Attorney Victor N. Cardosi. Testa and Pavagello were shot by rival labor union men. They were engaged at the time in laying terrazzo floors at the new hospital and were said to have encroached upon the territory of the Chicago union. Testa was shot through the shoulder when he refused to obey an order to leave Manteno.

Is An Experiment  
Mr. Selley explained that the measure would only be an experiment for the purpose of learning whether or not a bus system would be profitable and advisable in Kankakee. If it proved so, he said, the whole system would be replaced with busses, eliminating the present tracks, poles and overhead cables. If not satisfactory, the company would continue with the car system as long as possible. He was not able to say definitely how long the period of experiment would continue.

The new line, if put into surface, will help greatly to ease the traffic congestion on Court street between Schuyler and East avenue, caused by street cars awaiting transfers. If the bus line is put in, Mr. Selley stated, transfers with that division and the Electric Park and Big Four lines will be made near the court house at Harrison avenue. The only transfers made with this new line will be with the hospital line, which will be made at the present transfer point.

After Mr. Selley had finished his explanation of the situation, there was considerable discussion among the aldermen. Alderman Ed Buresch of the fifth ward suggested that the new route be changed so that instead of going north from Fifth avenue to Williams street, the route be extended.

## MOTOR COACH MAY REPLACE STREET CARS

## PETITION TO MAKE CHANGES IN RAILWAY GRANTED BY CITY COUNCIL

## ON ONE DIVISION

With Permission Of The Illinois  
Commerce Commission Bus  
Will Replace One Car

With the permission of the Illinois Commerce Commission, the city of Kankakee soon may have motor bus service replacing at least a portion of the present system of the Kankakee Electric Railway Company.

A proposal to make this change was made to Mayor Louis E. Beckman and the City Council last evening by Fred Selley, Kankakee manager of the railway, in the form of a petition asking permission to discontinue temporarily at least the East Court street and New York Central division of the system and replace it with a motor bus car.

After the petition had been read to the Council by the city clerk, Mr. Selley explained the situation, giving several good reasons why the management of the railway believed the proposed change to be advantageous. For one reason, he stated, the company has been experiencing difficulties in making the system pay expenses, for the reason that the public appears to be disinclined to use the present system except in emergency, as when inclement weather makes it inadvisable to walk or use private automobiles.

Another reason for the proposed change, he said, was that the motor bus system would open up new territory heretofore not served by the railway company. It appears that the use of the busses will not decrease the cost of transportation to the company, but will open up new territory and create better service so that more patronage can be expected.

It is expected that the motor bus replacing the division above named will follow approximately the present right of way of that line, with several changes to open up the new territory. For instance, the bus route will pass along the street on the south side of the high school, making this service available and advantageous to the hundreds of high school students. The new route will also open up the Brookmont and Riverview districts.

Half hour service will be maintained with the proposed new route and the fare and transfer arrangements will be the same. It is planned. The approximate route of the motor bus, as outlined in the petition, was as follows: Beginning at the transfer point on Court street between East avenue and Schuyler avenue, east to Wildwood avenue, south to Cobb boulevard, east to Poplar avenue, north to Maple street, east to Albert avenue, north to Court street, west to Fifth avenue, north to Williams street, east to Cleveland avenue, south to Fifth avenue, south to Court street, and east to the transfer point again.

Under the terms of the testament, Mrs. Bishop is left a house and lot in return for care and board given the deceased prior to his death. Because of the fact that Boisvert was unable to attend to his business affairs in his last illness, LaRoque paid to Mrs. Boisvert the sum of \$1,072.43 which was expenses incurred by her in caring for Boisvert. The present suit will determine whether or not she is still entitled to the house and lot in view of the fact that she received this money.

Two Divorces  
Two suits for divorce were filed by Attorney John A. Mayhew. One of these is brought by Mrs. Pearl Shannon, 826 East Court street, who accuses her husband of extreme cruelty. The Shannons were married Jan. 6, 1926, at Springfield and separated last Friday when Mrs. Shannon had her husband arrested for beating her and threatening her life. She claims that he tore her clothing and broke her nose when he hit her with the butt end of a gun. She also asks the court to grant a temporary injunction restraining Shannon from further molesting her.

The other divorce action is brought by Mrs. Lenora Erickson against her husband, Oscar, whom she charges with excessive use of intoxicating liquor. The couple were married Jan. 26, 1921, at Paxton and separated Sept. 9, 1929. The wife asks the care and custody of their two children, William Edward, age 8, and Mildred Frances, age 5. She also states that she is without funds and that Erickson be made to pay the costs of the suit.

Assault Suits  
Two assault suits for \$350 each were filed by A. L. Granger. The defendants are Fred O. Kurth and George Thiesen.

The case of J. Elmer DeSelm against the Charles Werts company was continued until Sept. 11, before Master-in-Chancery Claude M. Granger.

## REVIEW BOARD MAKES SLASH IN VALUATION

REQUEST COUNTY BOARD TO  
LESSEN TAX LEVY  
BY \$15,000

## 1930 ASSESSMENTS

Board Of Review Locates \$100,000 Additional Valuation In Porter Estate

Chairman Edwin Dumals of the board of review announced today that the board has cut the valuation of farm lands in Kankakee county 20 per cent. This cut will reduce the taxable valuation of farm lands by \$4,007,772 and will save the taxpayers of the county \$10,144.30 on their 1930 assessments which will be collected next January.

Furthermore, the finance committee of the county board of supervisors, of which Mr. Dumals is also chairman, will recommend a reduction of \$15,000 in the county tax levy when the board convenes in its annual meeting next Tuesday. Total \$25,144.

The \$10,144 reduction in farm land valuation effected by the board of review and the \$15,000 decrease in the tax levy, if approved by the supervisors, will mean a total net reduction in county taxes this year of \$25,144.

The farm land valuation of Kankakee county hitherto has been about \$20,000,000, according to Mr. Dumals. The reduction in valuation will bring it down to \$19,974,855. The decrease in the farm land valuation will mean a cut of four or five hundred dollars in the road and bridge funds for each township.

## Cut Town Tax

At a meeting of the town board of Kankakee township last evening the rate on road and bridge taxes was reduced one per cent for this year. The old rate was 32 cents on every dollar of assessed valuation and the new rate is 31 cents.

The finance committee of the board of supervisors has already started measures to curb county expenditures in line with its tax reduction program. Reductions in salaries and in number of county employees are being made wherever possible. Elevator service at the court house has been temporarily dispensed with as the elevator was seldom used during the months in which court is not in session. The more frequented county offices are nearly all located on the first floor of the building.

## Find \$100,000

The board of review has also discovered an additional \$100,000 which will be added to the county's taxable property in the estate of the late Frank Porter, former Kankakee resident who died several months ago in Chicago. Practically all of this estate was in personal property. Taxes derived from this estate will help the county to carry on normal work without depleting the treasury.

Following are the members of the 1930 county board of review who will conclude their year's work next Monday: Edwin Dumals, St. Anne, chairman; O. A. Burdick, Mokenca; John Paulissen, Kankakee; Fred Holmes, Kankakee, clerk.

It is hoped that state and other taxes will also be reduced for this year in view of general economic conditions. The county authorities so far have been the first to announce tax reductions.

## KEEPER OF ALTORF RESORT FINED \$100

Louis Hobbs, former Grundy county roadhouse operator who was arrested in a raid at Altorf Saturday night led by State Attorney T. R. Johnston, was fined \$100 and costs by County Judge Henry F. Ruel when he was arraigned last yesterday on a charge of operating a house of ill fame.

A criminal complaint, charging Hobbs with operating a slot machine at the Altorf establishment, was also filed by Johnston. Hobbs will be tried on this charge at a later date.

Friends of Mrs. Mary Gibson, will be pleased to know that she is apparently on the road to recovery from her recent illness.

**Family Picnic.**  
There was a pleasant gathering of relatives when Mr. and Mrs. Frank Lord and daughters and their families met for a family picnic at the summer cottage of Mr. and Mrs. Chas. Hathaway along the bank of the Iroquois River on the Mrs. Rosalie Coash farm, Sunday. Of course the sumptuous picnic dinner was one of the big features of the day but it might be considered secondary to the delightful social time that was enjoyed. Those of the party other than Mr. and Mrs. Lord were Mr. and Mrs. Meddie Patnarde and family also of Fowler, Ind., Mr. and Mrs. Deneen Ashley of Kankakee, Mr. and Mrs. Homer Uourie of Chicago and Mr. and Mrs. Harvey Brouillette and family of Martinton. The Republican readers of Martinton will be pleased to know that our very obliging carrier boys, Lordeen Sylvester Brouillette were included in and enjoyed this delightful outing that was a fitting ending of their vacation.

**Tonsil Operation.**  
An operation for the removal of her tonsils and adenoids was performed on Miss Gladys Edmiston by Dr. Benjamin of St. Anne at the Iroquois Hospital in Watseka, Saturday. She is recovering nicely from the operation and her home here. Miss Edmiston has been in poor health for some time and the removal of the offending members was made with the hope that it would set her up again.

Mrs. Thos. McMorley assisted by her daughter, Miss Blanche McMorley, delightfully entertained the members of the former's class of the Bible School of the Christian Church at their home here, Saturday afternoon. The time was spent in a quiet but pleasant social way. A two course luncheon was served by the hostess and at the close of this Miss McMorley entertained by that old but ever entertaining pastime, reading the fortunes of each guest's tea cup. Although the accuracy of these fortunes is some times doubted it was the source of much merriment on this occasion. In years of service, Mrs. McMorley is the oldest regular attendant at the Bible School here. It is largely due to her efforts in years past that the school is now in existence and in its present flourishing condition. Among the guests other than members of the adult class to enjoy the pleasant hospitality of the McMorley home Saturday were Mrs. Will Roach and Mrs. Chas. Hathaway.

**Fractures Arm.**  
The name of Shirley Edmiston, youngest daughter of Mr. and Mrs. Miles Edmiston, of Martinton may be added to that long list of those who have suffered a fractured arm due to the mullah-trait of a Ford when being cranked. The accident occurred at her home when she was endeavoring to crank the car for her mother. She was taken to the St. Mary's Hospital in Kankakee that same evening where after an X-Ray picture was taken of the injured arm, the fracture was taken care of by Dr. Hagstrom of St. Anne. Shirley was returned to her home while the injured member was quite painful. Shirley enrolled in the Martinton grade school here Monday.

**Monthly Meeting.**  
The September meeting of the Ladies Aid Society of the Christian Church will be held at the new country home of Mr. and Mrs. Max Scharf, on Thursday afternoon, Sept. 4. All ladies who are interested in the welfare of the church are invited to attend this meeting, bringing some thing with them for the hit or miss lunch that is to be served at the close of the meeting. All members of the society are urged to be present and visitors will be accorded a most hearty welcome.

The money the Clifton teams made with the sale receipts is to be used to help pay for the flood lights on the ball diamond. A large number of Clifton people attended the morning games and also the baseball game in the afternoon in Chebanse.

The condition of Della Esington who is very ill with pneumonia remains about the same.

**No National Flower**  
The schools and a number of societies have popularized the golden rod so that it is sometimes regarded as the national flower, but there is no national flower. Bills naming one have been introduced in congress from time to time, but no official action has ever been taken on a national flower.
